

1 D 1 G 1 PEOPLE HAVE THE POWER

D G
I was dreaming in my dreaming

D G
Of an aspect bright and fair

D G
And my sleeping, it was broken

D G
But my dream it lingered near

D G
In the form of shining valleys

D G
Where the pure air recognised

D G
And my senses newly opened

D G
I awakened to the cry

[Pre-Chorus]

F#m G
That the people have the power

D Em
To redeem the work of fools

F#m G
Upon the meek the graces shower

D A
It's decreed, the people rule

[Chorus]

D G
People have the power

Em A
People have the power

D G
People have the power

Em A
People have the power

[Verse]

D **G**
Vengeful aspects became suspect
D **G**
And bending low as if to hear
D **G**
And the armies ceased advancing
D **G**
Because the people had their ear
D **G**
And the shepherds and the soldiers
D **G**
Lay beneath among the stars
D **G**
Exchanging visions and laying arms
D **G**
To waste in the dust

people have p.
