

You Got It (Roy Orbison)

Every time I look into your loving eyes
I see a love that money just can't buy

One look - one look - from you - from you
I drift - I drift - away - away
I pray - I pray - that you - that you
are here - are here - **to stay**

Anything you want, you got it
Anything you need, you got it
Anything at all, you got it , **baby**

Every time I hold you I begin to understand
Everything about you tells me I'm your man

I live - I live - my life - my life
To be - To be - with you - with you
No one - no one - can do - can do
The things - the things - **You do**

Anything you want, you got it
Anything you need, you got it
Anything at all, you got it, **baby**

Anything you want
Anything you need
Anything at all

Do-do-do-do-doo - oh
Do-do-do-do-doo - oh, yeah
Do-do-do-do-doo - yeah, yeah, yeah
You got it

I'm glad - na na na - to give - na na na
my love - na na na - to you - na na na
I know - na na na - you feel - na na na
the way - na na na - I do

Anything you want, you got it
Anything you need, you got it
Anything at all, you got it, **baby**

Anything you want, you got it
Anything you need, you got it
Anything at all, you got it, **baby**

Anything at all, you got it
Baby
You got it
