Stuttura: AA - BB - AA - BB -Special - AA

Intro Chitarra

I can't get to sleep
I think about the implication
Of diving in too deep
And possibly the complications
Uhh uhh
Especially at night Uhh uhh
I worry over situations Uhh uhh
I know will be alright Uhh uhh
Perhaps it's just imagination Day after daaay

Day after day
it reappears
Night after niiiight
Night after night
my heartbeat shoows the feear
ghooosts appear and faaade away

Alooone
Alone between the sheets Uhh uhh
Only brings exasperation Alooone
It's time to walk the streets Uhh uhh
Smell the desperation Alooone
At least there's pretty lights Uhh uhh
And though there's little variations Alooone
It nullifies the night Uhh - **From overkill**
